

## **Overview for report and graduate presentation**

### **Report**

- ALL groups are to write a report
- ONE report per group
- Graduate students are to work INDIVIDUALLY
- Undergraduate students may have up to 3 in their group
- Report is a survey of a relevant topic in software security
- ALL topics must be approved by instructor
- Think of report as a literature survey, no experiment are required
- Report MUST be a MINIMUM of 3 FULL pages
  - Anything less will be met with severe penalty
  - References on separate page, NOT counted in the required 3
- MAXIMUM of 12 point font
- MAXIMUM of 1 inch margins all around (top, bottom, left and right side)
- MUST be SINGLE-SPACED
- SINGLE column
- MINIMUM of 5 sources

### **Presentation**

- GRADUATE STUDENTS ONLY
- Presentation based on the report
- 10 – 15 minutes in length
- NO slides
